

Northamptonshire Family History Society

Footprints Vol 1 - Vol 30

The 112 issues of Footprints, the Society journal, covering the period September 1979 to May 2008 have been edited and are available on this CD.

There are over 600 pages of information about people and places connected with Northamptonshire.

The CD includes a cross section of articles ranging from parish profiles, member's stories, snippets from parish registers and local history information. There are many references to 'strays', particularly in the earlier issues before the onset of online records.

Plus index to surnames, place names, topics and snippets/strays.

Cost £15.00 plus £1.50 p/p

The Cd can be ordered by post by downloading the order form or can be purchased online at www.genfair.co.uk/
